

SITE NUMBER: WA-II-612
ADDRESS: 301 West Main Street, Sharpsburg, MD
OWNER/LOT NUMBER/ACCESS: William T. Delauney, 263/510, private
BUILDING DATE: mid 19th century (pre-1862)

301 West Main Street is a south-facing, symmetrical, two-and-a-half-story, three-bay, brick (common bond), freestanding, structure resting on a stone foundation. Sited directly at the public-right-of-way, it is on a corner lot. The side gable roof is sheathed with artificial roll, has a rebuilt, interior endwall brick chimney, and open eaves. The entrance is located in the west bay and has a glazed and panelled door topped by a single-light transom. Fenestration consists of double-hung, six-over-six windows with soldier coursed lintels, stone sills, and shutters. A hipped-roof open porch extends across the facade of the building. It is supported by tapered boxed posts connected by a slat railing. The building has a two-story brick wing and a small, detached, board-and-batten outbuilding with a chimney.

A commemorative plaque indicates that the building was standing in 1862. A building of the same configuration is noted on the 1877 map of the town as being owned by Knode. The 1922 Sanborn notes the extant building as 32 West Main. However, the two-story brick wing is noted as a one-story frame addition. The back of the lot contains a one-story, tripartite structure that is noted as a shed and garage. In addition, there is a small one-story frame structure to the west of the house.

The building is within the Western Maryland Geographic Organization, the Development Period of Agricultural-Industrial Transition, and falls within the Historic Period Theme of Architecture, Landscape Architecture and Community Planning.
