

SITE NUMBER: WA-II-647

ADDRESS: 217 West Chapline Street, Sharpsburg, MD

OWNER/LOT NUMBER/ACCESS: George R. Gettridge, 474/508, private,

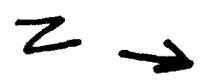

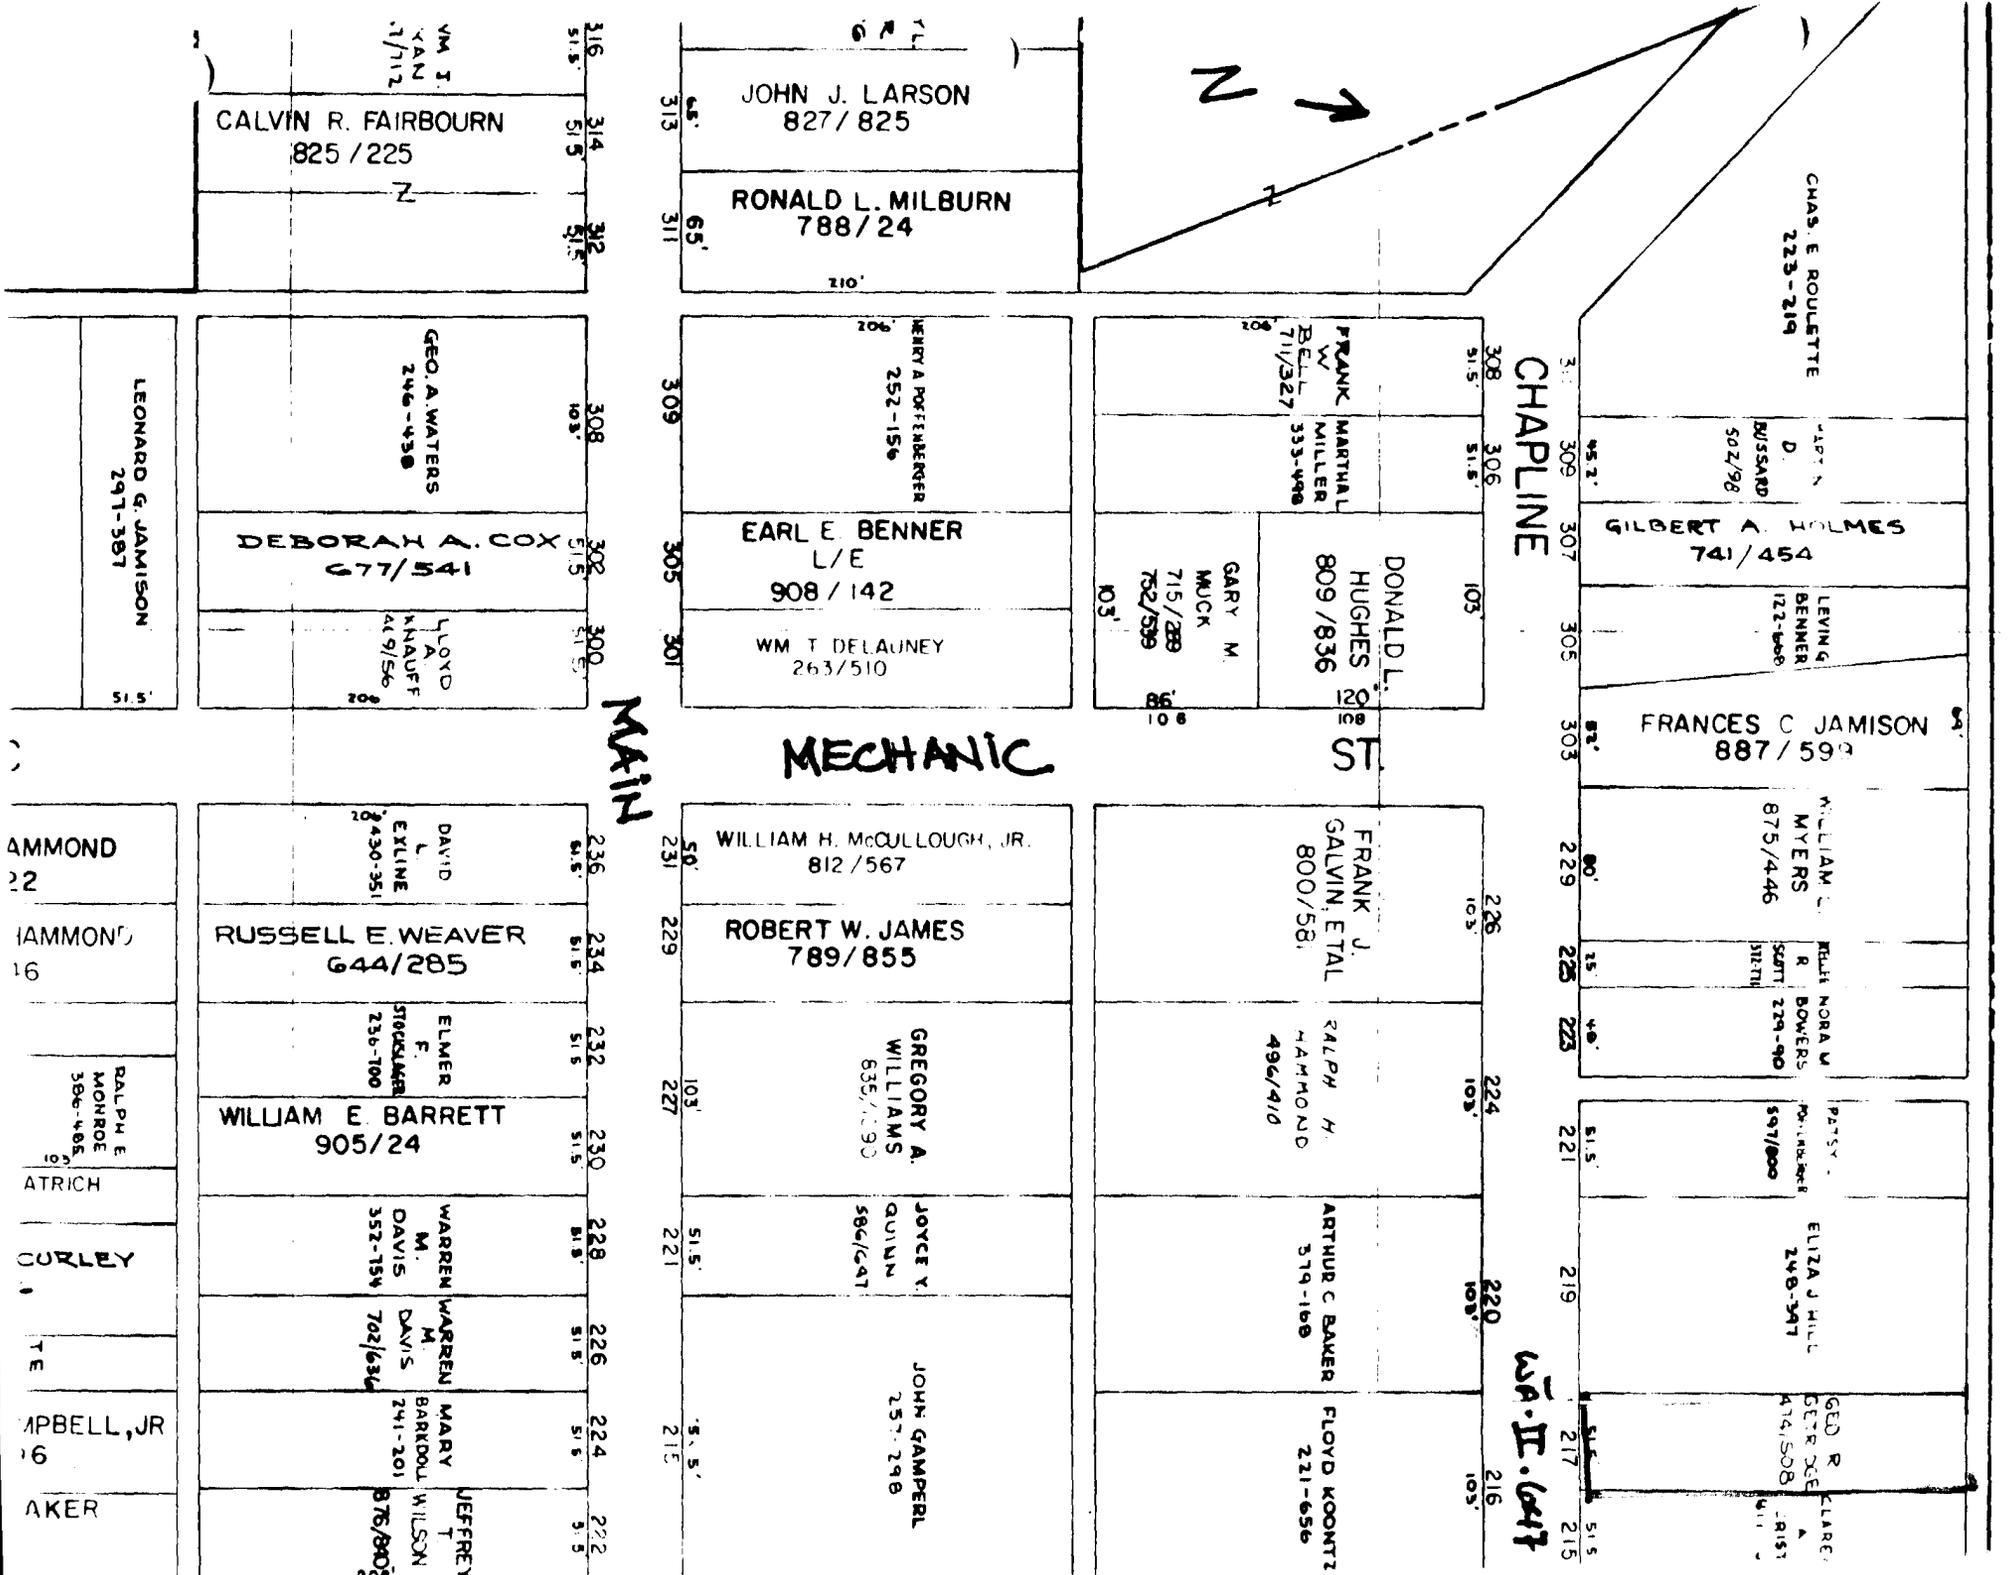

BUILDING DATE: mid-late 19th century

217 West Chapline Street is a south-facing, horizontally massed, symmetrical, two-and-a-half-story, three-bay, frame, freestanding, residential structure resting on a stone foundation. The building is set directly at the public-right-of-way, is sheathed with manufactured siding and has a side-gable, corrugated metal roof with open eaves and gable returns. There is one endwall cinderblock chimney. The first-floor front facade is composed of an entrance in a center bay (modern door), flanked by double-hung, two-over-two windows to either side. The first floor of the front facade is shielded by an open, hipped-roofed, porch supported by brick piers. The second floor has three bays, each holding a double-hung, two-over-two window. Attic windows are six-light casements. There is a one-story addition to the rear.

A building, possibly at this location and of the same configuration is noted on the 1877 map of the town as being owned by D. Cremer (sp?).

The building is within the Western Maryland Geographic Organization, the probable Development Period of Agricultural-Industrial Transition, and falls within the Historic Period Theme of Architecture, Landscape Architecture, and Community Planning.
