

SITE NUMBER: Wa-II-673
ADDRESS: 107 West Chapline Street, Sharpsburg, MD
OWNER/LOT NUMBER/ACCESS: Jean H. Reel, 594/271 private
BUILDING DATE: mid-late 19th century

105 West Chapline Street is a south-facing, symmetrical, two-and-a-half-story, three-bay, frame, freestanding, residential structure, on a stone foundation. The building is sheathed in bricktex and has had all its windows enlarged or replaced. It has a side-gable, standing-seam metal roof with open eaves and gable returns. There is a new exterior endwall brick chimney. The first-floor front facade is composed of an entrance in the center bay protected by a raised, hipped-roof, open porch that extends the length of the house. The front porch supports have been replaced, however, the original boxed pilasters remain. The porch is further defined by a modern railing. There is a variety of fenestration, including louvered windows on the first floor and double-hung, one-over-one windows on the second. The house has a one-story rear wing.

A building of the same configuration is noted on the 1877 map of the town as being owned by J. Snavely (sp?). It is noted on the 1922 Sanborn as 211 West Chapline.

The building is within the Western Maryland Geographic Organization, the Development Period of Agricultural-Industrial Transition, and falls within the Historic Period Theme of Architecture, Landscape Architecture, and Community Planning.
