

SITE NUMBER: WA-II-688
ADDRESS: 221 East Main Street, Sharpsburg, MD
OWNER/LOT NUMBER/ACCESS: Ricky E. Williams, 794/1047, private
BUILDING DATE: late 19th/early 20th century?

221 East Main Street is a south-facing, horizontally massed, one-and-a-half-story, frame, freestanding, structure set back from the public-right-of-way. Resting on a stone foundation, the building is simple in design and was not originally built for residential purposes. It has a front-gable roof with a center chimney, a single window in the front facade and a glazed front door protected by a modern storm door.

The 1922 Sanborn notes this as an outhouse that was part of the neighboring property to the east.

The building is within the Western Maryland Geographic Organization, the probable Development Period of Industrial/Urban Dominance, and falls within the Historic Period Theme of Architecture, Landscape Architecture and Community Planning.
