

SITE NUMBER: WA-II-716^{Main}
ADDRESS: 103-105 East ~~High~~ Street, Sharpsburg, MD
OWNER/LOT NUMBER/ACCESS: Adrian Grim, 514/125, private
BUILDING DATE: mid-late 19th

103-105 East Main Street is a south-facing, horizontally massed, asymmetrical, six-bay, two-and-a-half-story, frame, freestanding, residential structure. The building is set directly at the public-right-of-way on the town's main square. It has been altered with the addition of permastone siding. Judging from the window locations, the structure appears to have been constructed in two sections of three bays each. The building has a continuous, standing-seam metal, side-gable roof with brick endwall chimneys. A hipped-roof open porch supported by slender tuscan columns extends across three of the center bays. Entrances are located in the second and fourth bays. Windows are double-hung, six-over-six lights with shutters. An oriel window has been added to the westernmost first-floor bay.

The structure is noted on the 1877 map of the town as being owned by Mrs. Hebb. The 1922 Sanborn notes the entire extant structure, indicating that the eastern portion was a dwelling and the western portion was a pool room. At that time, the structure was numbered 303 and 302 East Main, respectively.

The building is within the Western Maryland Geographic Organization, the Development Period of Agricultural-Industrial Transition, and falls within the Historic Period Theme of Architecture, Landscape Architecture and Community Planning.
