ADDRESS: 67 South Main Street, Boonsboro, MD  
OWNER/LOT NUMBER/ACCESS: private  
BUILDING DATE: mid 19th century? pre-1877

67 South Main Street is a west-facing, horizontally massed, two-and-a-half-story, three-bay, frame, freestanding, residential structure. The building, which is set directly at the public-right-of-way, has a side-gable, tin roof with two endwall chimneys. A hipped-roof porch extends across the facade of the house and protects the center-bay entrance and a one-story bay window. The door is a modern one. The fenestration is replacement, modern, double-hung, one-over-one sash. There are wide window and door surrounds.

A building of similar configuration is indicated on the 1877 map of the town. The 1897-1940 Sanborn maps show the building as 252 Main Street. Between 1904 and 1910, an older rear addition was replaced with a newer one. No other changes are made on later maps.

The building is within the Western Maryland Geographic Organization, the probable Development Period of Agricultural-Industrial Transition, and falls within the Historic Period Theme of Architecture, Landscape Architecture, and Community Planning.
