Eligibility recommended Eligibility not recommended

Criteria: A B C D Considerations: A B C D E F G None

Is property located within a historic district? no yes Name of district: Town of Boonsboro

Is district listed? no yes

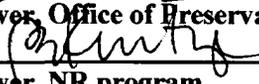

Documentation on the property/district is presented in: Boonsboro Streetscape, Alternate US 40: MD 68 to East of Mousetown Road, Washington County, Maryland, SHA Report 215 (JMA 1999) and Final Report: Architectural and Cultural Survey of Boonsboro and Clear Spring, MD (Mueller 1992).

Description of Property and Eligibility Determination: *(Use continuation sheet if necessary and attach map and photo)*

No. 409 North Main Street is a two-and-one-half-story, two-bay-wide, hip-roofed, detached, frame, American Foursquare single-family dwelling on a rubblestone foundation. The house has aluminum siding and an asphalt-shingled roof. Hip dormers are centered on the east and west slopes of the roof. There is an interior corbeled cap brick chimney on the north slope. Windows are 1/1 wood sash. A one-story, hip-roofed porch wraps around the west and south elevations. As an example of domestic architecture in early-twentieth-century Boonsboro, this is a contributing element to the Town of Boonsboro Historic District.

SITE NUMBER: WA-II-807
ADDRESS: 409 North Main Street, Boonsboro, MD
OWNER/LOT NUMBER/ACCESS: private
BUILDING DATE: 1910s-1920s

409 North Main Street is a west-facing, two-and-a-half-story, three-bay, freestanding, American Four Square residential structure. The building, which is near the public-right-of-way, rests on a stone foundation and is covered in manufactured siding. The hipped roof is covered with an artificial roll and has one corbelled chimney at the center. There is a single hipped-roof dormer facing the street. The stuccoed, hipped-roof porch is supported by battered posts. The north-bay entrance is composed of glazed and paneled door. Windows are double-hung, one-over-one sash with shutters.

Although none of the historic maps of Boonsboro extends this far north, the construction of the building can be dated approximately to the period between 1910 and 1924 when other similar buildings in Boonsboro were built.

The building is within the Western Maryland Geographic Organization, the Development Period of Industrial/Urban Dominance, and falls within the Historic Period Theme of Architecture, Landscape Architecture, and Community Planning.
