Criteria: A B C D Considerations: A B C D E F G None

Is property located within a historic district? no yes Name of district: Town of Boonsboro

Is district listed? no yes

Documentation on the property/district is presented in: Boonsboro Streetscape, Alternate US 40: MD 68 to East of Mousetown Road, Washington County, Maryland, SHA Report 215 (JMA 1999) and Final Report: Architectural and Cultural Survey of Boonsboro and Clear Spring, MD (Mueller 1992).

Description of Property and Eligibility Determination: *(Use continuation sheet if necessary and attach map and photo)*

No. 416 N. Main Street is a two-and-one-half-story, two-bay-wide, hip-roofed, American Foursquare, detached, single-family dwelling. The brick house is laid in a five-course American bond. The asphalt-shingled roof includes a hip dormer and interior chimney. Windows are 4/1 wood sashes. A roundel is centered between the second floor windows. The one-story, hip-roofed wraparound porch has battered wooden posts. The porch across facade and south elevation abuts a two-story projecting bay at southwest corner. The single leaf door is flanked with sidelights and transom. The entrance is paired with a projecting polygonal bay. Northwest of the house is a frame, gable-front, single-car garage on rubblestone foundation and with German siding. This house, typical of early-twentieth-century domestic architecture in Boonsboro, is a contributing resource to the Town of Boonsboro Historic District.

SITE NUMBER: WA-II-814
ADDRESS: 416 North Main Street, Boonsboro, MD
OWNER/LOT NUMBER/ACCESS: private
BUILDING DATE: 1910s-1920s

416 North Main Street is an east-facing, two-and-a-half-story, three-bay, brick, freestanding, American Four Square residential structure. It is very similar to 502 North Main. The building, which is set directly at the public-right-of-way, rests on a stone foundation and is laid in common bond. The hipped roof is covered with artificial shingling, and wide eaves, one chimney at the center, and a hipped-roof dormer facing the street. A hipped-roof, porch wraps around the facade and south elevation and is supported by battered posts set on brick piers. The north-bay entrance is composed of sidelights, a glazed craftsman style door, and a transom. Windows are jack arched, double-hung, vertical four-over-one sash. There is a small round window on the second floor directly below the dormer window. The yard contains a detached garage.

Although none of the historic maps of Boonsboro extends this far north, the construction of the building can be dated approximately to the period between 1910 and 1924 when other similar buildings in Boonsboro were built.

The building is within the Western Maryland Geographic Organization, the Development Period of Industrial/Urban Dominance, and falls within the Historic Period Theme of Architecture, Landscape Architecture, and Community Planning.
