Description of Property and Eligibility Determination: *(Use continuation sheet if necessary and attach map and photo)*

No. 404 North Main Street is a two-and-one-half-story, three-bay-wide, hip-roofed, detached, masonry, American Foursquare single-family dwelling with Queen Anne elements. The house has an asphalt shingled roof, interior chimney, and hip dormers centered on the south and east slopes of the roof. The house has a single-leaf door with transom and 1/1 wood sash windows. A two-story projecting polygonal bay with peaked roof is located in the southern bay of the facade. There is a one-story, three-bay-wide, hip-roofed porch with square wood posts on brick piers. West of the house is a complex of frame farm outbuildings, including a gable-roofed barn and several interconnected shed-roofed buildings, possibly chicken houses. The house dates to ca. 1905-1910. As an example of a transitional style of domestic architecture in early-twentieth-century Boonsboro, this is a contributing element to the Town of Boonsboro Historic District.

SITE NUMBER: WA-II-817
ADDRESS: 404 North Main Street, Boonsboro, MD
OWNER/LOT NUMBER/ACCESS: private
BUILDING DATE: 1910s-1920s

404 North Main Street is an east-facing, two-and-a-half-story, three-bay, brick, freestanding, American Four Square residential structure. The structure is very similar to 326 North Main. The building, which is set back from the public-right-of-way on a landscaped lawn, rests on a concrete foundation and is in a red brick with a cream colored mortar. A two-story, octagonal bay with a pyramidal roof is located at the southeast corner of the house. The hipped roof is covered with artificial shingles and has one chimney. There are hipped-roof dormers facing south and the street. The porch roof is supported by battered columns set on brick piers that are connected by a wood railing. The center-bay entrance door is a modern replacement. The jack-arched windows are double-hung, one-over-one sash.

Although none of the historic maps of Boonsboro extends this far north, the construction of the building can be dated approximately to the period between 1910 and 1924 when other similar buildings in Boonsboro were built.

The building is within the Western Maryland Geographic Organization, the Development Period of Industrial/Urban Dominance, and falls within the Historic Period Theme of Architecture, Landscape Architecture, and Community Planning.
