

SITE NUMBER: WA-II-897
ADDRESS: 30 Potomac Street, Boonsboro, MD
OWNER/LOT NUMBER/ACCESS: private
BUILDING DATE: mid 19th century? Pre-1877

30 Potomac Street is a north-facing, horizontally massed, two-and-a-half-story, four-bay, frame, freestanding, residential structure. The building, which is set directly the public-right-of-way and rests on a stuccoed foundation, is covered with manufactured siding. It has a tin, side-gable roof with two, endwall, brick, corbelled chimneys and one exterior cinderblock chimney. The flat-roof porch extends across the facade of the house. Its columns have been replaced with iron railings. The entrance, which is located in a center bay, has also be modernized with a new door. Windows appear to be replacement double-hung, one-over-one sash. The building has a two-story rear ell and a one-story shed addition on that.

A building of similar configuration to the extant structure is indicated on the 1877 map of the town. All of the Sanborn maps of Boonsboro that indicate this part of town (1910-1940) number the building 82 Potomac Street and show the ell and the shed addition.

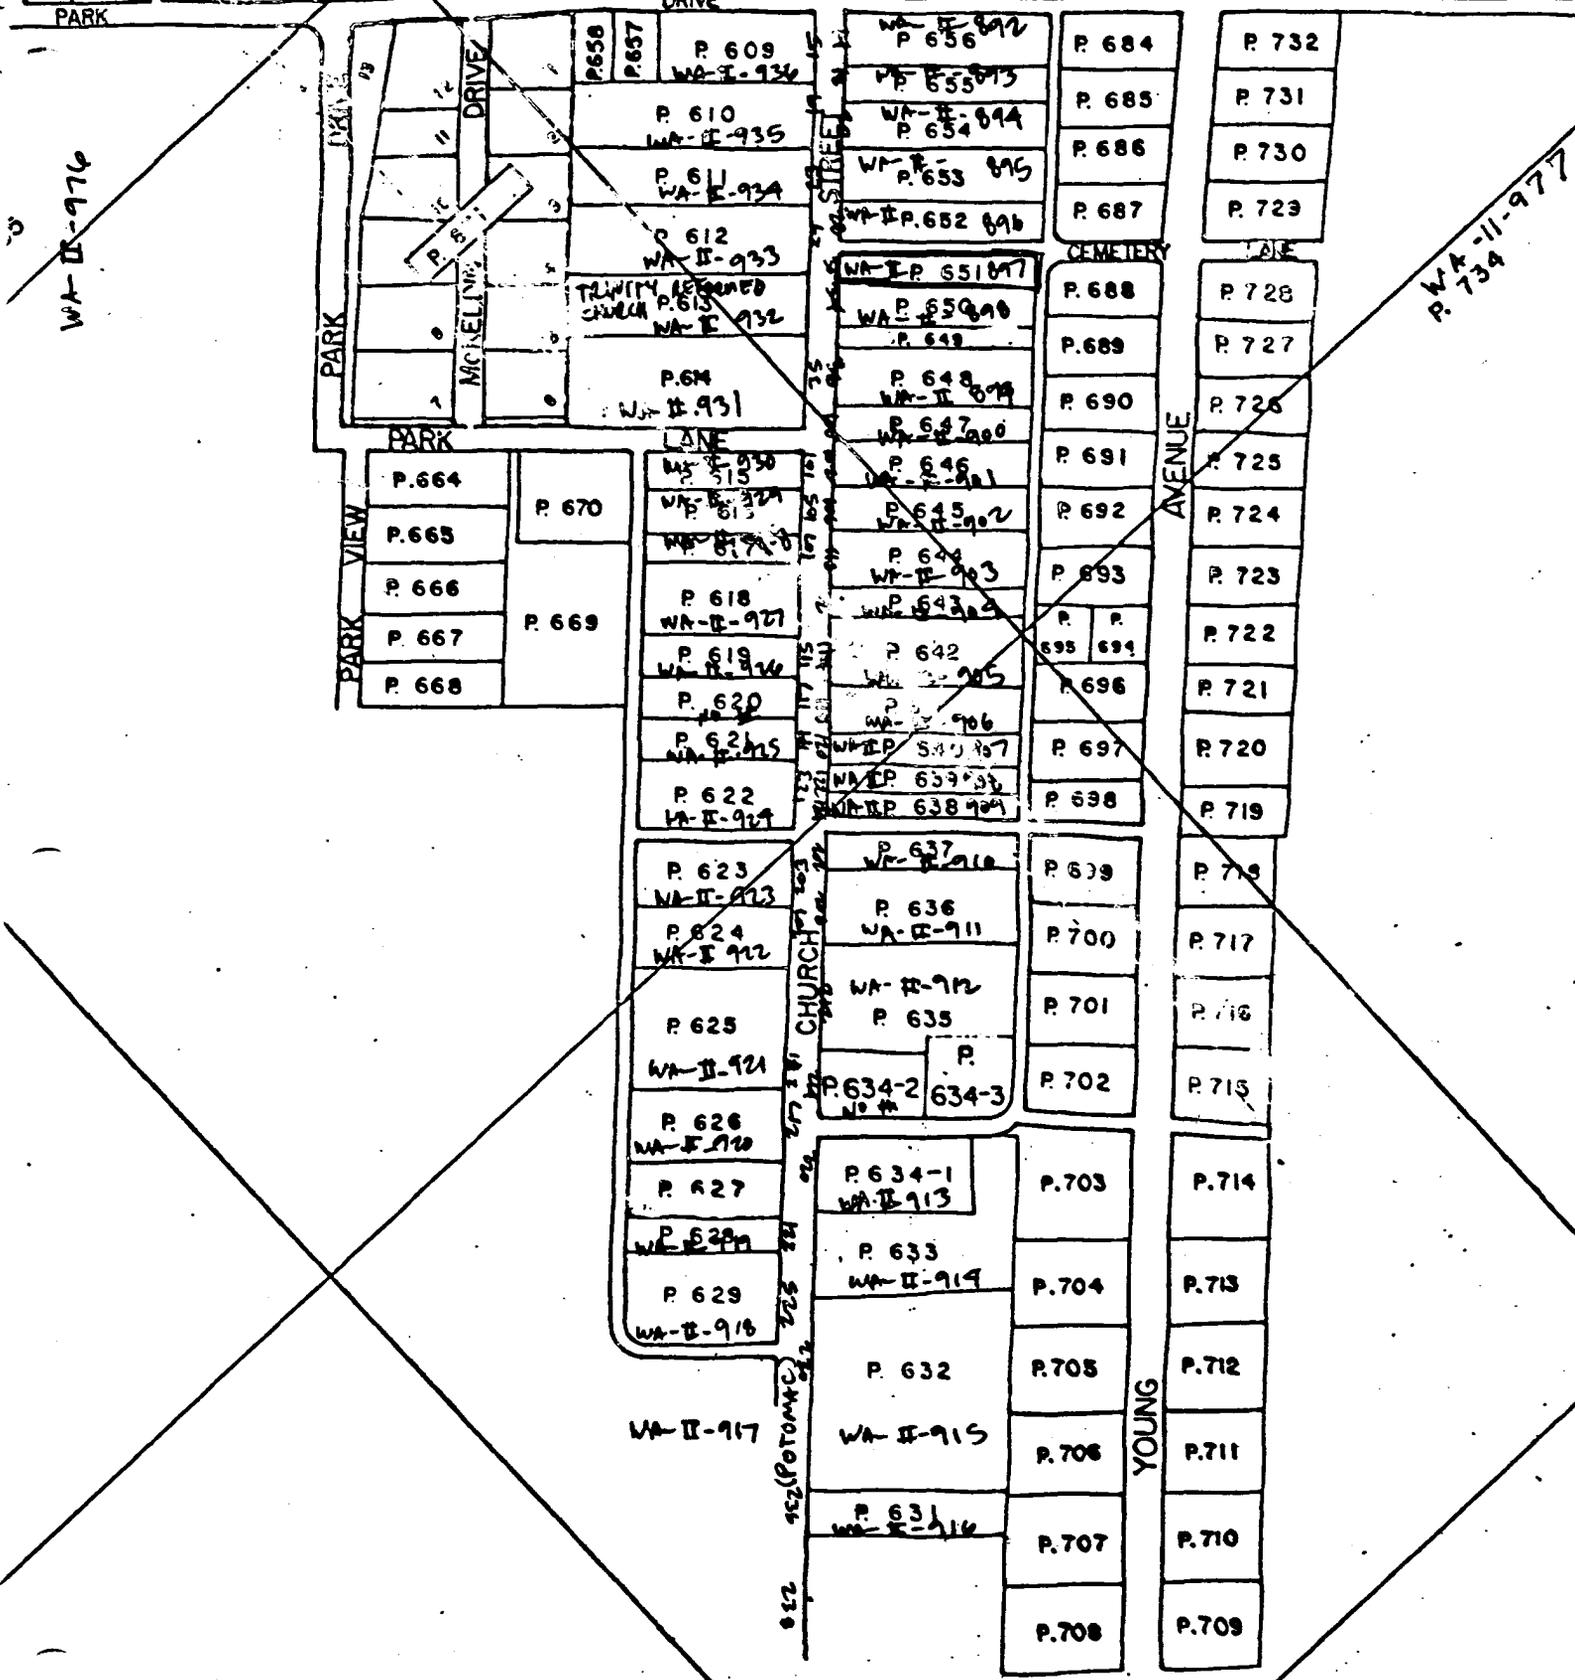

The building is within the Western Maryland Geographic Organization, the probable Development Period of Agricultural-Industrial Transition, and falls within the Historic Period Theme of Architecture, Landscape Architecture, and Community Planning.
