

SITE NUMBER: WA-II-902
ADDRESS: 106 Potomac Street, Boonsboro, MD
OWNER/LOT NUMBER/ACCESS: private
BUILDING DATE: mid 19th century? pre-1877

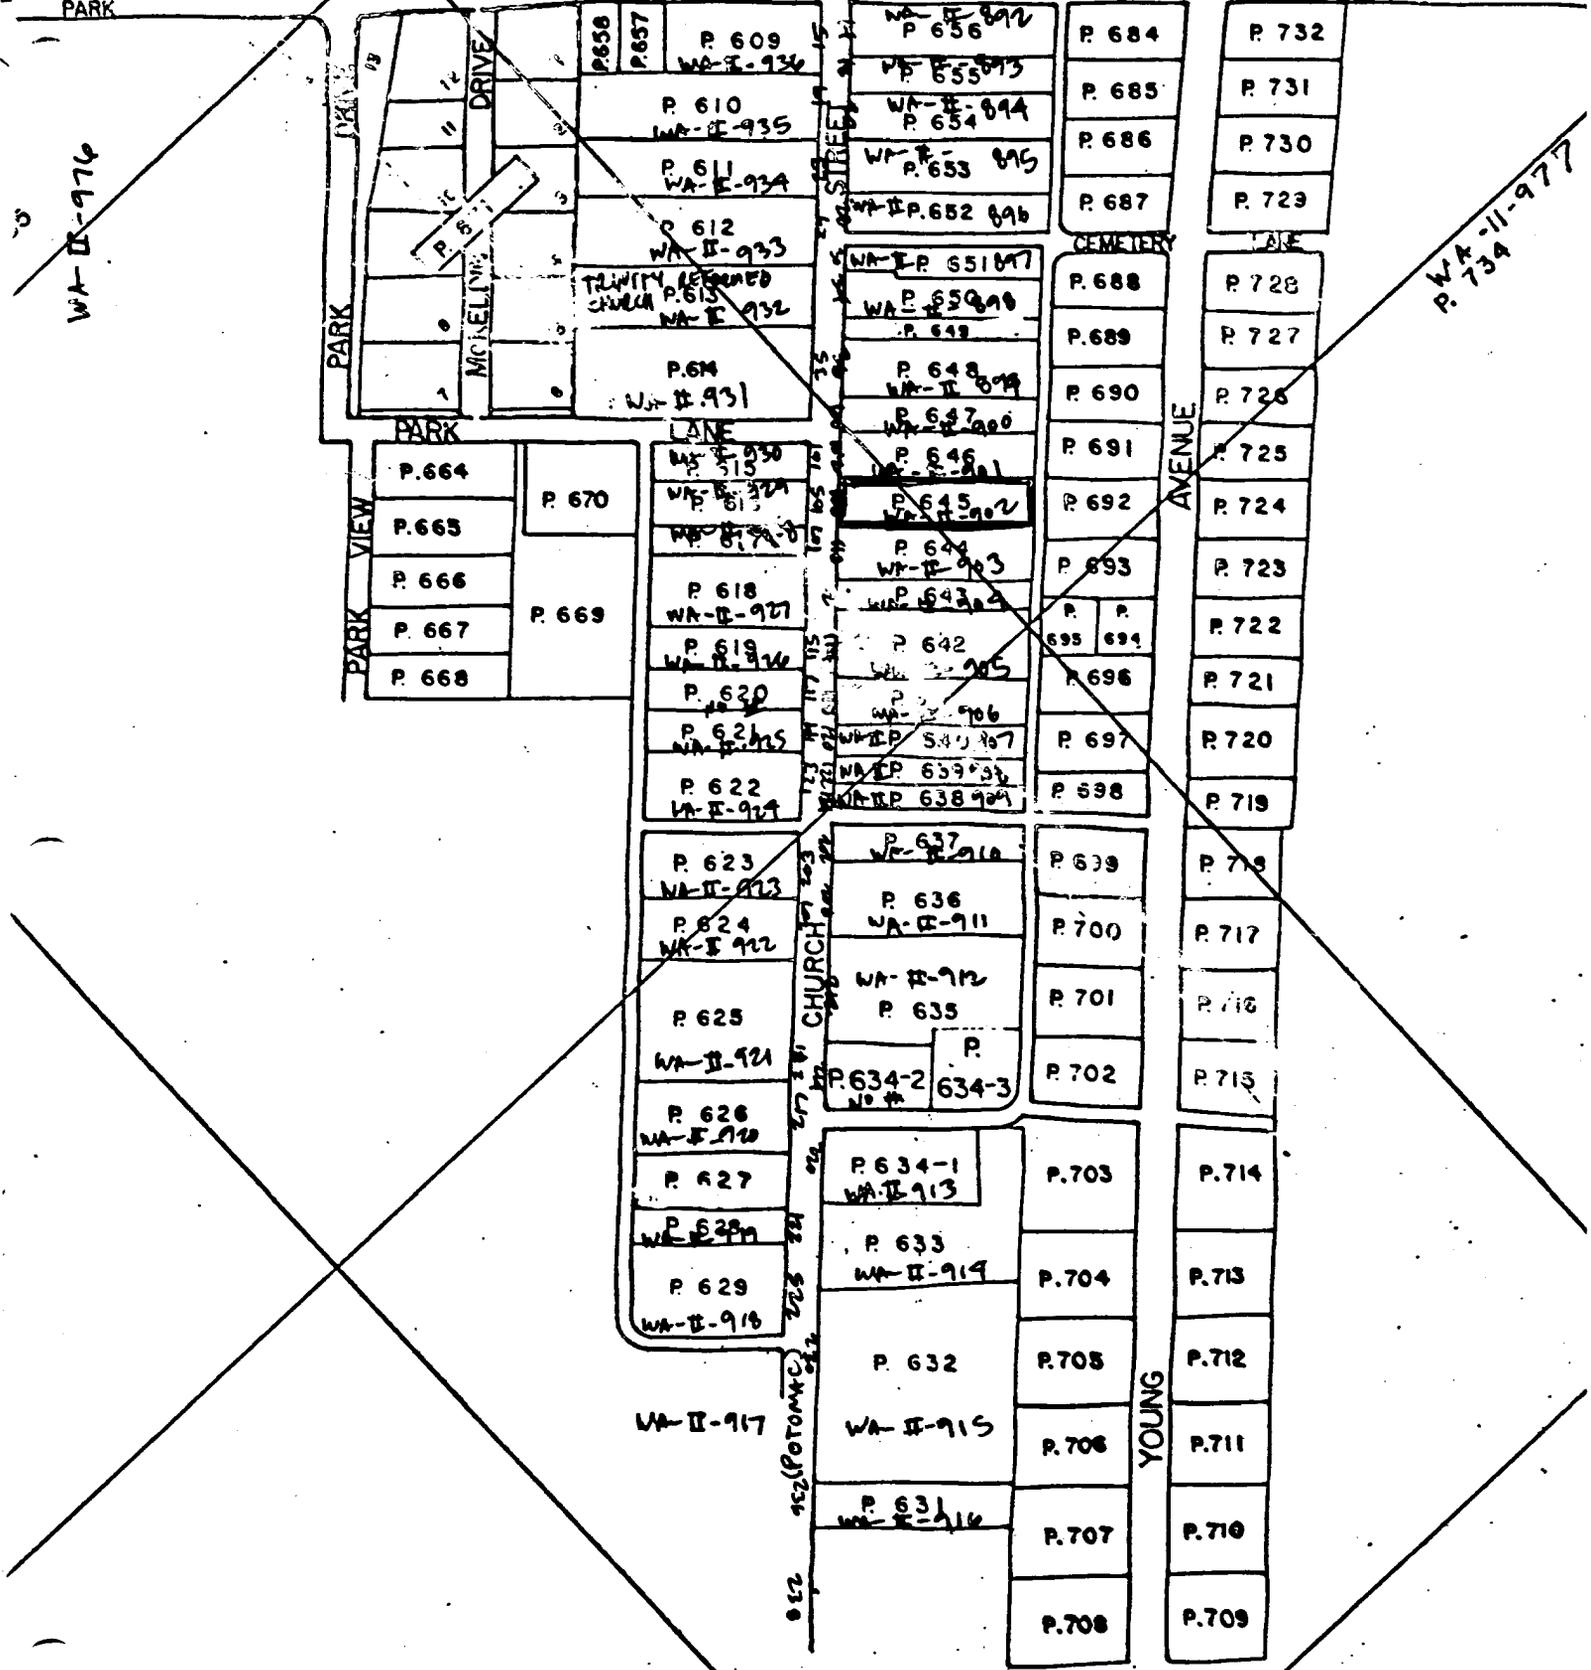

106 Potomac Street is a north-facing, horizontally massed, two-and-a-half-story, three-bay, frame with brick veneer, freestanding, residential structure. The building is set at the public-right-of-way and has been recently encased in brick. The structure has a side-gable, artificial shingle roof with two chimneys. The hipped-roof porch that extends across the facade of the house and protects the center-bay entrance has been rebuilt. The door appears to date from the 1940s. Fenestration includes double-hung, six-over-six sash windows. There are two, one-story brick additions to the rear and a detached garage on the lot.

A building of the exact configuration and location is indicated on the 1877 map of the town. Sanborn maps of Boonsboro (1910-1940) note the building as 77 Potomac and show it as a frame dwelling with two one-story brick additions to the rear.

The building is within the Western Maryland Geographic Organization, the probable Development Period of Agricultural-Industrial Transition, and falls within the Historic Period Theme of Architecture, Landscape Architecture, and Community Planning.
