ADDRESS: 55 West Water Street
OWNER/LOT NUMBER/ACCESS:
BUILDING DATE:

55 West Water Street is a north-facing, horizontally massed, symmetrical, two-and-a-half story, three-bay, L-shaped freestanding, frame residential structure resting on a stone foundation. The building is covered with manufactured siding. The side gable roof, which appears to be covered with slate, has two interior endwall chimneys. The fenestration consists of single, rectangular, wooden sash, double-hung, one-over-one windows with shutters. The center-bay entrance is protected by a shed-roof eastlake porch that runs the length of the building and is supported by turned and bracketed wood posts. The entrance consists of a glazed and two-panelled door topped by a glazed transom. The ell has a two-story open porch.

The rear of the lot has a carriage house/stable whose size and elaboration appears to be unique within the town limits.

The property is located outside the original town limits, but within the limits indicated on the 1875 map. The vacant property was owned at that time by B.C. Bishop.

The building is within the Western Maryland Geographic Organization, the Development Period of Industrial/Urban Dominance, and falls within the Historic Period Theme of Architecture, Landscape Architecture and Community Planning.
