ADDRESS: 75 West Water Street, Smithsburg, MD

OWNER/LOT NUMBER/ACCESS: Michael E. Dayhoff, 839/574, private

BUILDING DATE: early 20th century

75 West Water Street is a north-facing, horizontally massed, symmetrical, two-story, three-bay, freestanding, frame residential structure. It is covered in manufactured siding. The side gable roof, which is tin-covered, has one rebuilt, endwall chimney. The fenestration consists of single, rectangular, wooden sash, double-hung, one-over-one windows with shutters. The center-bay entrance is protected by a hipped-roof porch that runs the length of the building and is supported by squared posts. The entrance is a modern door. There is a modern one-story addition on the west side of the house and a large two-story addition to the rear of the house.

The property is located outside the original town limits, but just within the limits indicated on the 1875 map. The vacant property was owned at that time by B.C. Bishop.

The building is within the Western Maryland Geographic Organization, the Development Period of Industrial/Urban Dominance, and falls within the Historic Period Theme of Architecture, Landscape Architecture and Community Planning.
