

SITE NUMBER: WA-IV-145
ADDRESS: 28 North Main Street, Smithsburg, MD
OWNER/LOT NUMBER/ACCESS: Charles E. Kilbaugh, 236/238, private
BUILDING DATE: post 1923 (mid-20th century)

28 North Main Street is a west-facing, horizontally massed, symmetrical, two-and-a-half-story, three-bay, freestanding, frame residential structure. The building is sited at the public right-of-way. The side gable roof is covered with artificial roll and has an interior, endwall chimney at its southern end. The fenestration consists of single, rectangular, wooden sash, double-hung, two-over-two windows with shutters. The center-bay entrance is approached from the south end of an open, shed-roof porch. The porch roof is supported by four chamfered posts. The east (rear) facade of the house has a two-story open porch.

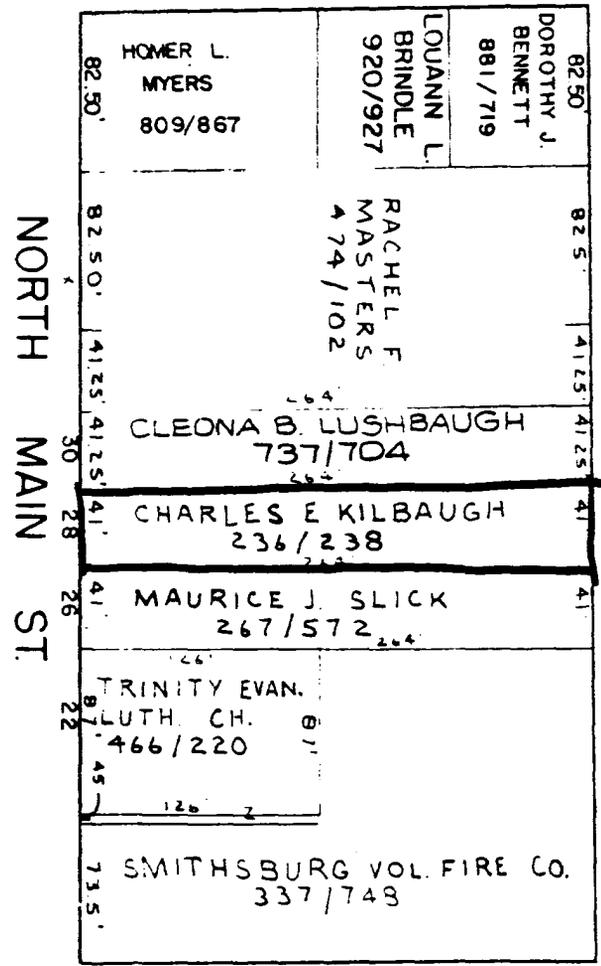

The building is set on original lot 54, a vacant lot that is not listed in the key to the 1814 plat of the town. A building does appear on the 1875 map on the lot which was then owned by Mrs. B. George, however that building was not located on the exact site of this building (if the map was drawn accurately). The 1916 and 1923 Sanborns indicate that this was a vacant lot numbered 165 during those years.

The building is within the Western Maryland Geographic Organization, the Development Period of Industrial/Urban Dominance (possibly Modern Period), and falls within the Historic Period Theme of Architecture, Landscape Architecture, and Community Planning.
