BUILDING DATE: early 20th century

37 North Main Street is an east-facing, symmetrical, two-story, two-bay, freestanding, frame residential bungalow. The structure has manufactured siding. The side gable roof has one brick center chimney and is covered with pressed artificial roll. The focus of the front facade is a long dormer which serves as a full second story. The dormer roof has an open eave with exposed rafters. The main roof which slopes down to create an overhang at the first floor is supported by three battered posts resting on brick piers. The entrance is in the north bay and consists of a glazed and panel door and an aluminum-frame storm door. Windows on the front facade are paired, rectangular, double-hung, six-over-one sash.

The building is set on original lot 47, a vacant lot that was owned by Henry Reagey, according to the 1814 plat of the town. An earlier building, owned by John Fogler, appears on the 1875 map of the town. The extant building is shown on the 1916 and 1923 Sanborns as 132 Main. According to the Smithsburg Historical Society, a log structure has been incorporated into this building.

The building is within the Western Maryland Geographic Organization, the Development Period of Industrial/Urban Dominance, and falls within the Historic Period Theme of Architecture, Landscape Architecture and Community Planning.
