

SITE NUMBER: WA-IV-203
ADDRESS: 64 South Main Street, Smithsburg, MD
OWNER/LOT NUMBER/ACCESS: Eugene W. Ebersole, 531/491, private
BUILDING DATE: late 19th/early 20th century

64 South Main Street is an east-facing, horizontally massed, symmetrical, two-and-a-half-story, three-bay, frame, freestanding, residential structure covered in permastone. The slate, cross gable roof has one endwall chimney. A glass enclosed, one-story, hipped roof porch runs the length of the building and now holds the principal entrance in its south face. Fenestration consists of single, rectangular, wooden sash, double-hung, one-over-one windows. The building has a large wing addition at its southwest corner.

The building is set on original lot 95, a vacant lot that had no owner listed on the key to the 1814 plat of the town. This is the southern most platted lot on the 1814 map. No building appears on the site on the 1875 map either, when the property was owned by M.A. Flautt. However, the extant building does appear on the 1916 Sanborn as 23 Main Street and is noted as a frame structure. Both maps show a large building in the rear of the lot, which is noted as "HAROW WARE HSE." on the 1923 map. According to the Smithsburg Historical Society, a longtime mayor of Smithsburg lived in this house and applied the permastone over the original weatherboard siding.

The building is within the Western Maryland Geographic Organization, the Development Period of Industrial/Urban Dominance, and falls within the Historic Period Theme of Architecture, Landscape Architecture and Community Planning.
