ADDRESS: 70 South Main Street, Smithsburg, MD

OWNER/LOT NUMBER/ACCESS: John J. O'Neal, 360/356, private

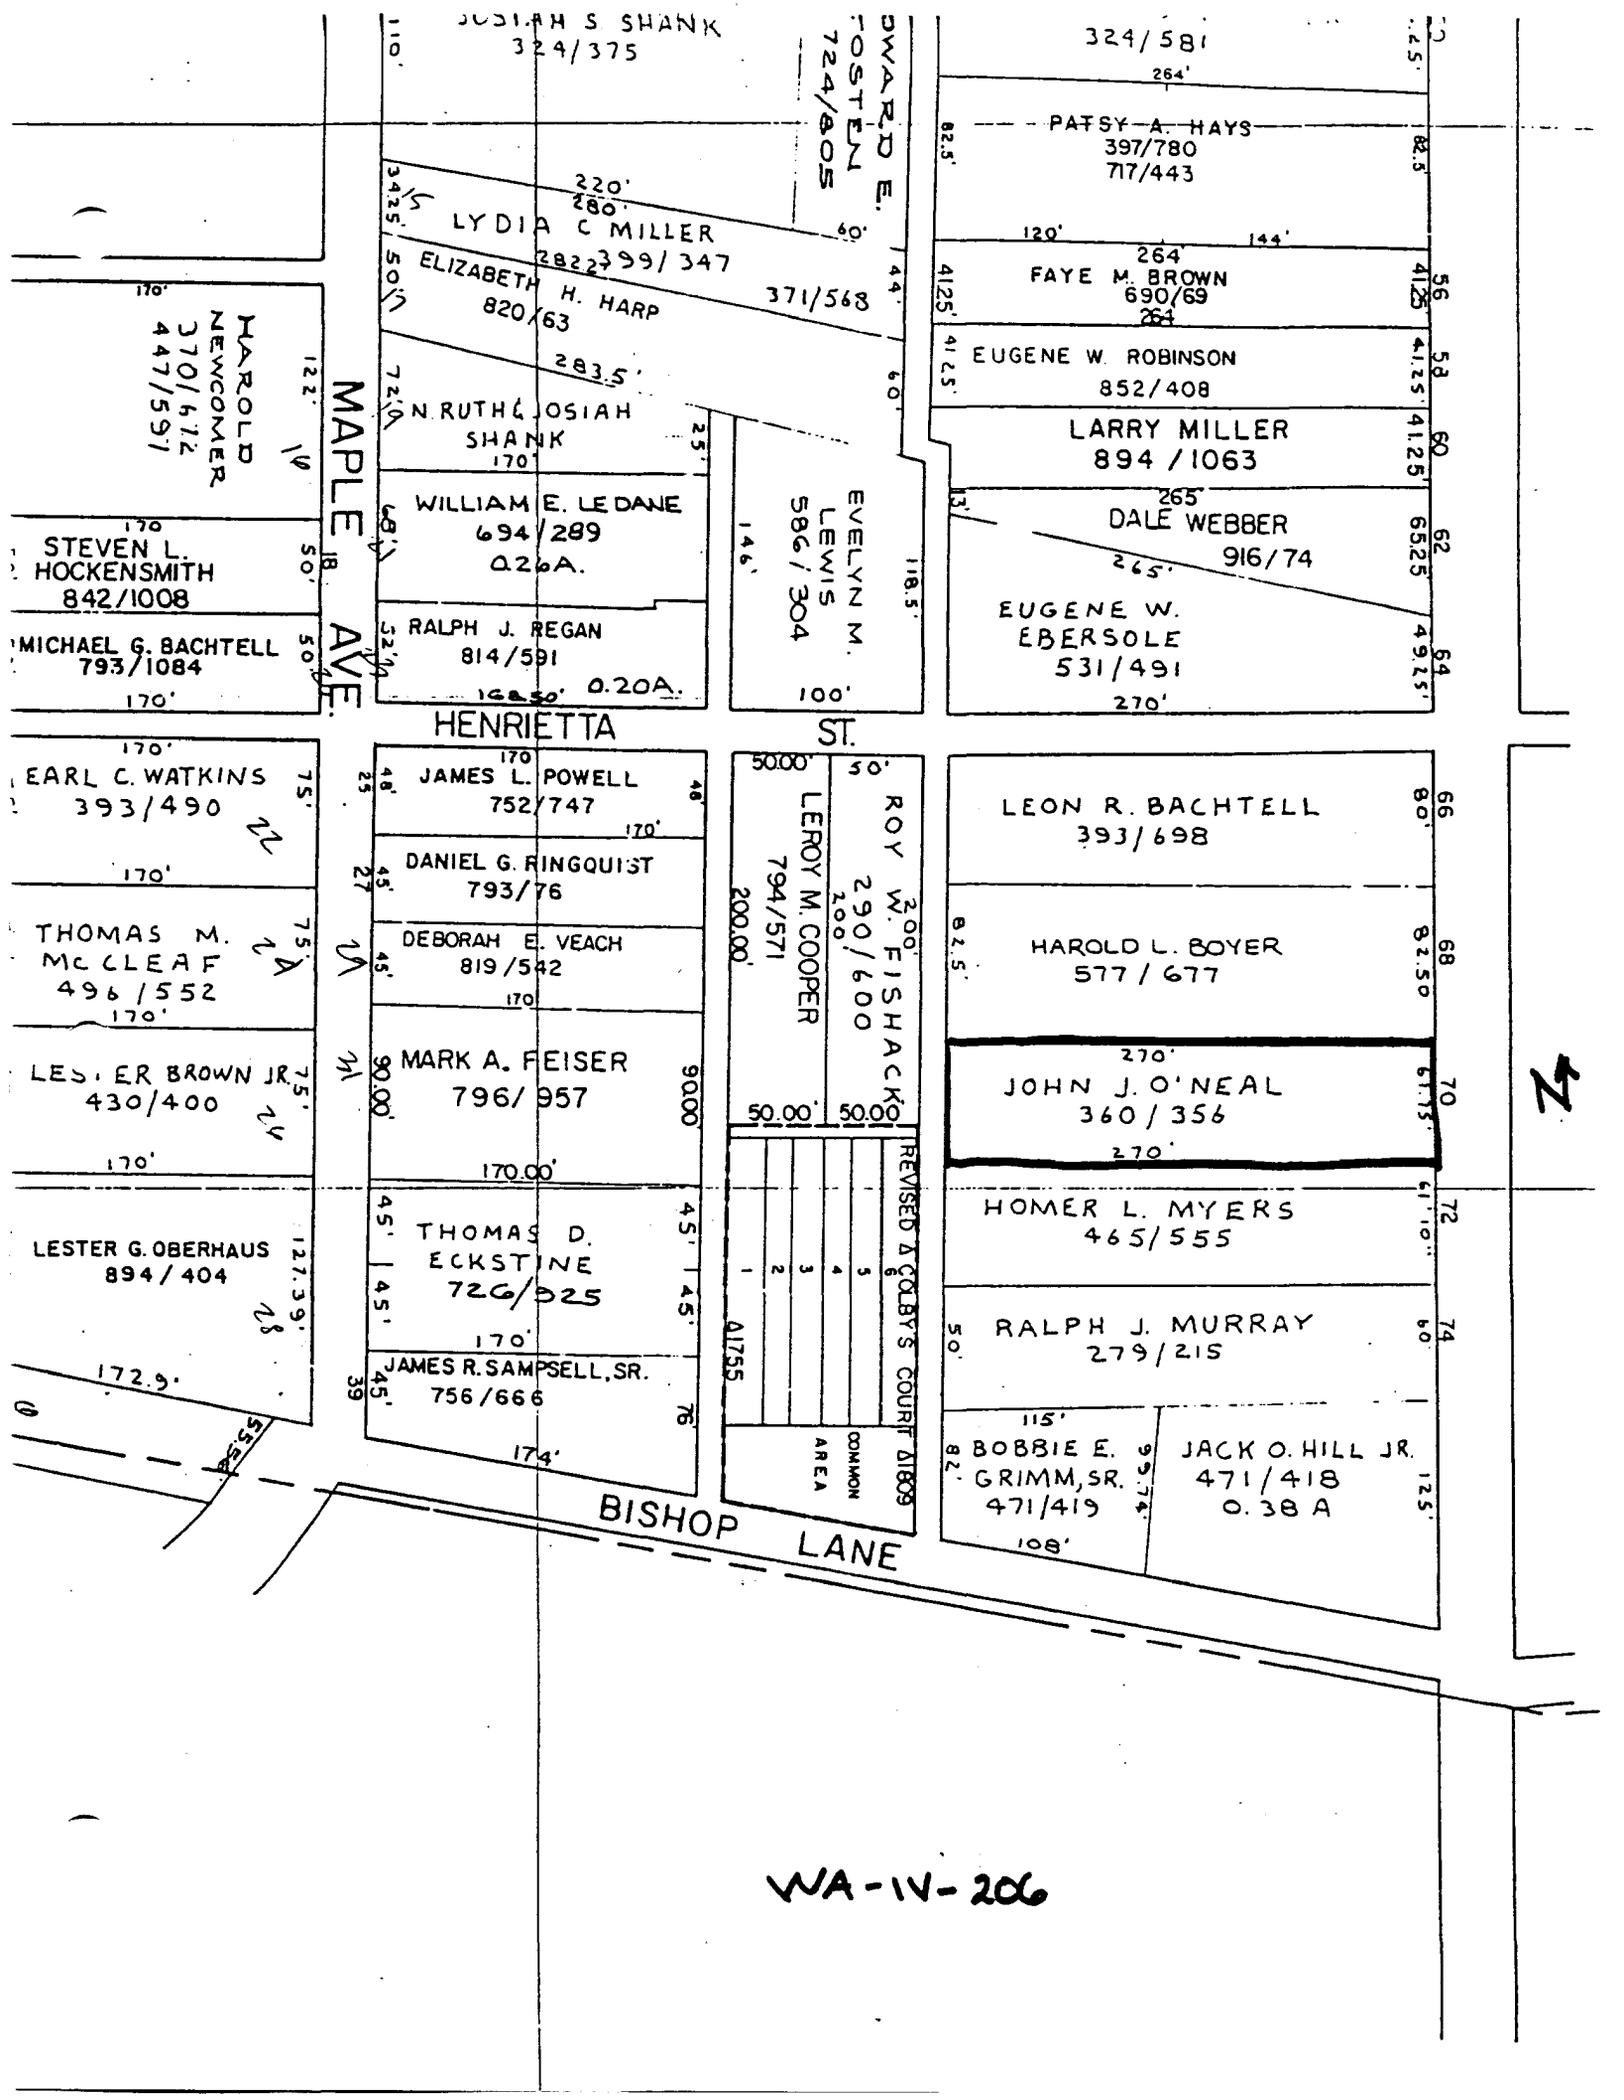

BUILDING DATE: late 19th/early 20th century

70 South Main Street is an east-facing, L-shaped, symmetrical, two-and-a-half-story, three-bay, brick, freestanding, residential structure resting on a stone foundation. The intersecting gable roof is sheathed with an artificial roll covering, has one, tall interior endwall chimney, open eaves, return gables, and one hipped roof dormer. A flat porch roof runs the length of the building and is supported by modern wrought-iron railings. The porch roof shields the entrance which is located in the north bay. The six-horizontal-panel door is recessed and has a glazed transom. Fenestration includes single or paired, rectangular, wooden sash, double-hung, one-over-one windows with flat, roughcut stone sills and lintels. The dormer has four, four-light casement windows in a row.

The building is set outside the original 1814 platted town limits and on a large empty parcel in 1875 (town map). The building is noted on the 1916 and 1923 Sanborns as 19 Mountain Road. All outbuildings which appear on the 1916 map are no longer noted on the 1923 map. This is the current residence of the Mayor of Smithsburg.

The building is within the Western Maryland Geographic Organization, the Development Period of Industrial/Urban Dominance, and falls within the Historic Period Theme of Architecture, Landscape Architecture and Community Planning.
