DESCRIBE THE PRESENT AND ORIGINAL (IF KNOWN) PHYSICAL APPEARANCE

The community of Forsythe consists of a few sided log houses and barns along the Hanging Rock Road at the west slope of Fairview Mountain. One barn of interest is a small round log structure. It has a steeply pitched roof and overhanging logs at the corners which apparently were never trimmed.

STATEMENT OF SIGNIFICANCE

Forsythe is a small mountain side community named for the Forsythe family who were early settlers, Scottish pioneers in the area. There is believed to be in existence among family members an old parchment deed between a John Forsythe and a group of indians for land in this area.
