

SITE NUMBER: WA-V-317

ADDRESS: 10 Cumberland Street, Clear Spring, MD

OWNER/LOT NUMBER/ACCESS: Flora J. Peterman, 267/228, private

BUILDING DATE: 1923

10 Cumberland Street is a south-facing, horizontally massed, two-and-a-half-story, brick, four-bay, freestanding, modified American Four-Square residential structure. The structure rests on a stone foundation at the public-right-of-way and is laid in a orange/red brick in a running bond. There is a two-and-a-half story bay window with a gable roof in the southeast corner of the building. The main body of the house has a hipped roof that is covered with artificial roll. The roof has a single chimney. A massive, raised flat-roof porch wraps around the south and east elevations. Its roof structure is supported on battered posts resting on a brick wall that delineates the porch. The entrance consists of a glazed door crowned by a single-light transom. Windows are set in segmental arches and are double-hung, one-over-one sash.

According to a history of the site prepared for the Clear Spring Historical Society by Lisa Poole, this property was originally part of lot 54 that was sold by Martin Myer in 1824 to Lewis Myers (Liber HH, Folio 036). The site of this structure is vacant on both the 1877 and 1922 maps of Clear Spring. The house was constructed by the Peterman family in 1923.

The building is within the Western Maryland Geographic Organization, the Development Period of Industrial/Urban Dominance, and falls within the Historic Period Theme of Architecture, Landscape Architecture, and Community Planning.
