

SITE NUMBER: WA-V-320

ADDRESS: Southwest Corner of West Cumberland Street and South Hawbaker Circle, Clear Spring, MD

OWNER/LOT NUMBER/ACCESS: Lillie V. Davenport, 757/1075, private  
BUILDING DATE: 1920s

This is a north-facing, horizontally massed, one-story, three-bay, concrete block, freestanding, commercial garage. The building, which is set at the public-right-of-way at the southwest corner of Cumberland and South Hawbaker Circle, has a front-gable, artificial roll roof. A large garage door is located in the center bay. It is flanked by a set of windows and a pedestrian entrance. Fenestration includes double-hung six-over-six and six-over-one windows, some of which have been blocked up.

A structure is first noted on this site on historic maps in 1877 when it is shown as being owned by Mrs. Reitzell. The 1922 Sanborn map indicates a blacksmith shop and shed at this location, but neither structure is the extant building. These structures are numbered 26 and 27 Cumberland Street. In an oral history with Nora McDonald Snyder (July 1992), Mrs. Snyder recounted that her father built and operated the extant garage.

The building is within the Western Maryland Geographic Organization, the Development Period of Industrial/Urban Dominance, and falls within the Historic Period Themes of Economic; and Architecture, Landscape Architecture, and Community Planning.
