

SITE NUMBER: WA-V-330

ADDRESS: 21 Cumberland Street, Clear Spring, MD

OWNER/LOT NUMBER/ACCESS: Eric G. Vanlaer, 909/545, private

BUILDING DATE: 19th century pre-1841

21 Cumberland Street is a north-facing, horizontally massed, two-and-a-half-story, three-bay, frame, attached, residential structure. The building, which is set directly at the public-right-of-way, rests on a concrete foundation. The tin, side-gable roof has a single chimney. A deep flat-roof eastlake portico protects the east-bay entrance. The door is composed of a glazed panel over two vertical wood panels. The windows have pedimental lintels and shutters. The structure has a two-story rear ell with a two-story addition that may have been an open porch.

According to a history of the site prepared for the Clear Spring Historical Society by George Boyd, this building is on original lot 49 which was first sold by Martin Myer to George Lowe in 1824. A notice for the sale of the house in 1850 states that it is of log construction. The 1877 map of Clear Spring indicates that this structure was owned by William Snyder. The 1922 Sanborn labels the structure as 140 Cumberland and does not show its portico.

The building is within the Western Maryland Geographic Organization, the probable Development Period of Agricultural-Industrial Transition, and falls within the Historic Period Theme of Architecture, Landscape Architecture, and Community Planning.

Prepared by Julianne Mueller, July 1992
