

SITE NUMBER: WA-V-334

ADDRESS: 31 Cumberland Street, Clear Spring, MD

OWNER/LOT NUMBER/ACCESS: Jane A. Stansbury, 237/515, private

BUILDING DATE: 19th century, pre-1877

31 Cumberland Street is a north-facing, horizontally massed, two-and-a-half-story, five-bay, frame, attached, structure that was originally two buildings. They may be of log construction. The building, which is set directly at the public-right-of-way, rests on a stone foundation and is covered in manufactured siding. It has a corrugated metal, side-gable roof with one chimney. The principal entrance is in the easternmost bay and consists of a four-panel door flanked by sidelights and a seven-light transom. There is a small, secondary entrance in the westernmost bay. Windows on the first floor are double-hung, nine-over-six sash and those on the second floor are double-hung six-over-six.

The 1877 map of Clear Spring shows the building and notes that it was owned by D. Flora. The 1922 Sanborn indicates that the extant structure is composed of two buildings that are labeled as dwellings numbered 146 and 147 Cumberland.

The building is within the Western Maryland Geographic Organization, the probable Development Period of Agricultural-Industrial Transition, and falls within the Historic Period Theme of Architecture, Landscape Architecture, and Community Planning.
