ADDRESS: 12610 Route 40 (Cumberland Street), Clear Spring, MD

OWNER/LOT NUMBER/ACCESS: Lillie McDonald Fiery, 271/451, private

BUILDING DATE: early 20th century

This is a south-facing, two-and-a-half-story, two-bay, frame, freestanding, residential structure. The building, which is set back from the public-right-of-way at the western end of town at the northwest corner of Route 40 and Broadfording Road, rests on a stone foundation. A hipped-roof eastlake porch extends across the facade, protecting the center-bay door. Windows are double-hung, two-over-two sash with lintels and shutters. The center-bay window on the second floor has been shortened. The structure has a two-story ell with a two-story gallery. The property has two one-story, fancy outbuildings.

The building was constructed in the early 20th century and is recounted in an oral history with Nora McDonald Snyder (July 1992), the sister of the current owner. It was one of their childhood homes.

The building is within the Western Maryland Geographic Organization, the Development Period of Industrial/Urban Dominance, and falls within the Historic Period Theme of Architecture, Landscape Architecture, and Community Planning.
