DESCRIBE THE PRESENT AND ORIGINAL (IF KNOWN) PHYSICAL APPEARANCE

Situated on the north side of East Salisbury Street facing south is a two story brick house with three bays. It has a Flemish bond front slate roof, six over six sash at the second story and one over one sash on the first floor. There is a three light transom over the front door and a limestone foundation underneath. This house was probably built in the late 18th century and is in very nice condition.
