 DESCRIBE THE PRESENT AND ORIGINAL (IF KNOWN) PHYSICAL APPEARANCE

Situated on the south side of West Potomac Street and facing north is a two story, three bay brick house built with common bonding at the front elevation. Windows have two over two pane sashes with the upper panes having arched tops. The roof is covered with slates. At the eaves is a wide frieze with paired brackets. The main entrance is located in the easternmost bay of the front elevation. The house would appear to date from the late 19th century.
