DESCRIBE THE PRESENT AND ORIGINAL (IF KNOWN) PHYSICAL APPEARANCE

The Williamsport Elementary Annex, probably dating from the 1930's is located on the south side of East Church Street. It is a one story, three bay brick school building. Windows consist of five pair of six over six sash separated by wooden mullions. There are two groups of these windows along the facade one on either side of the entrance. The main entrance consists of a projecting archway leading to a sheltered recessed door. A brick pedimented parapet is located over the entrance bay. A heavy cornice tops the building. Corners are trimmed with decorative brick quions.
