 DESCRIBE THE PRESENT AND ORIGINAL (IF KNOWN) PHYSICAL APPEARANCE

This house located on the east side of South Artizan Street is nearly identical to its neighbor to the south (WA-WIL-256) as well as to several other houses on that street. It is a two story T-shaped frame structure covered with aluminum siding. On the forward projecting gable are pairs of single pane sashes separated by mullions. At the recessed part of the house is the main entrance. A wrap around porch extends across most of the front. The house would appear to date from the early 20th century.
