1½ Story Frame House
Snow Hill Road (MD 12), near Mt. Olive Manor

WI-58

This small 1½ story frame house has an exterior chimney with a chimney cap on one gable end. Possibly-enclosed porch on one side has a baluster around the edges of the shed roof. "Porch" contains four six-over-six light windows, two on either side of a door with four lights. Either end of the "porch" has two windows matching those on the front. At least one small window appears in the gable end in the half-story, beside the chimney. This window has four lights. Several additions appear on the far end of the building.

The building is covered with asbestos siding and asbestos shingles cover the roof.
