MARYLAND HISTORICAL TRUST  
INTERNAL NR-ELIGIBILITY REVIEW FORM

Property/District Name: Agricultural buildings Survey Number: WI-614

Project: Sunny Meadows, elderly housing Agency: FmHA

Site visit by MHT Staff:  no  yes Name \_\_\_\_\_ Date \_\_\_\_\_

Eligibility recommended \_\_\_\_\_ Eligibility not recommended

Criteria:  A  B  C  D Considerations:  A  B  C  D  E  F  G  None

Justification for decision: (Use continuation sheet if necessary and attach map)  
Located on the south side of West Church Street outside of Hebron, MD, the site is confined on the south border by the Baltimore Eastern Railroad. Consisting of approximately 2.5 acres, the site has two existing structures, a feed bin and a one story frame building. Both date from the twentieth century, the building appears to be barely fifty years old. The once agricultural setting of the buildings has been compromised by modern construction and recreational fields. In addition, without the other components of the farm complex such as a dwelling, barn etc., the site does not possess sufficient integrity of design, setting, materials, workmanship, feeling and association to be eligible for the Register.
